

REMARKS

In accordance with the Examiner's request the substitute specification has been reformatted to provide cleaner breaks between words, and Claims 1-12 have been cancelled and rewritten in clean form as new Claims 15-26. The substitute specification contains no new matter and merely presents the same changes as in the previously submitted version objected to by the Examiner. Accordingly, the earlier marked up version of the specification still applies.

A further action on the merits is respectfully solicited.

The Commissioner is hereby authorized to charge to Deposit Account No. 50-1165 any fees under 37 C.F.R. §§ 1.16 and 1.17 that may be required by this paper and to credit any overpayment to that Account. If any extension of time is required in connection with the filing of this paper and has not been requested separately, such extension is hereby requested.

Respectfully submitted,

MWS/dmt
